# Arlo Pro 3 Floodlight

Our most powerful floodlight camera

The first 100% wire-free floodlight camera illuminates the most vulnerable parts of your property. A motion-activated light more powerful than a car headlight deters intruders before they even get close to your property. While 2K video captures all the important

details for the best possible protection.

### 6 month battery life

Wire-free, no cords or wiring hassles.<sup>1</sup>

### Superior Brightness

Up to 3000 lumens of light<sup>2</sup>

### 2K HDR

See clearer details and colors

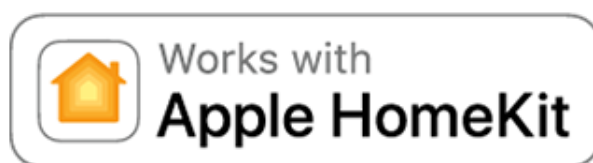

### Color Night Vision

See colors at night

### Built-in Smart Siren

Trigger your siren remotely

Complete Connected Home

# Powerful Floodlight. Wire-Free Setup.

Installs in minutes and easily mounts in more locations.

Technical Specifications

A photograph of a woman and a young child laughing together. The woman, with blonde hair in a bun, is wearing a blue and white striped shirt. The child, wearing a green shirt, is laughing with their mouth open. They are both looking towards the camera. The background is a plain, light-colored wall.
